### CARRANZISTS HELD FROM MEXICO CITY BY ZAPATA'S MEN

Series of Artillery Duels Blocks Advance on Mexican Capital.

WASHINGTON, June 25 .- Zapata forces defending Mexico City have engaged the attacking Carranga army in a series of artillery duels and have delayed its advance. No details were contained in the advices reaching here o-day, which were the first indicame that the Carranza advance

munication with Mexico City been out off since June 18, when Gonzales, the Carranza comder, out the wires to Vera Cruz Otumbs, twenty-five miles east rom the capital.

Consular advices from Vera Cruz e-day said the wires were still down and it was improbable that communiation would be restored before the Carransa forces entered the city.

Vera Cruz despatches to the Carense agency here have instated Gondes was delaying his occupation "to ave the city from the horrors of atsok" and had been ordered to exaust every means to induce the Wia-Zapata troops to withdraw thout resistance.

The Carrange War Department irges that the Red Cross relief expe-ition be delayed until after the occution of the capital. Gen. Carranza promised full co-operation with it. ML PASO, Tex., June 25 .- Practically all of Villa's main "army" has

been withdrawn to Torreon, 350 miles north of Aguascallentes, which Obregon's "army" now occupies, according to an American who arrived last night from interior Mexico. He says Villa is decisively beaten and unable to resist Obregon's advance. Only small detachments, he reports, have been left by Villa south of Torreon to garrison the intervening towns.

Vers Crus despatches last night reiterate that Obregon has occupied Aguascalientes. It is the first time he has been in the city since the convention there last year, when Villa and Carranza split. The Vera Crus advices said Obregon had repaired the railroad as he has moved northward and that communication between Vera Crus and Aguascalientes has been restored. con's "army" now occupies, accord-

been restored.

Carransa's agents gave out to-day a message from Obregon dated "Encarnacion, Aguascalientes," saying his health has improved and reiterating his denial of a rupture with the "First Chief."
